Dear EAA Chapter 1099,

On behalf of the EAA Air Academy we would like to say thank you for helping young people from around the United States and the world attend the EAA Air Academy 2011 camps. This summer we had 376 young people experience one of our EAA Air Academy camps and it is because of your assistance that many could attend. Your involvement in the Young Eagles program has been a blessing to many young people and we would like to say thank you for your involvement in the program.

Enclosed are thank you notes from participants your chapter has assisted financially. If you have any questions about the EAA Air Academy camps, please contact us at airacademy@eaa.org.

Sincerely,
Experimental Aircraft Association, Inc.
